**EXPERIENCE****Present****Freelance Graphic Designer, London**

I am currently designing and making websites for international and locally based clients on a freelance basis. Part of this duty includes producing motion graphics unique for specific businesses and organisations.

**July-October 2014****Motion Graphic Designer. Metahaven,  
Amsterdam**

Here I worked in a three month placement on a variety of different projects. Duties included preparing graphics for printed collateral, working on publications, and helping to produce, record and edit music videos. Maintaining excellent relationships with international clients through clear and precise communication was essential in this role. I met all of my responsibilities with consistency whilst working to a tight deadlines.

**January 2012 - January 2013**

## **Independent Graphics Studio**

Here I directed and produced music videos for the record label Traum. This role included strategic thinking from concept design right through to execution of the high quality music videos. Understanding how to manage a project within a my own studio developed into collaborating with artists and designers, to whom I designated tasks to complete within specific deadlines.
