

SKILLS AND EXPERTISE

I am an active collaborator and work across all platforms to deliver first class work to meet any deadline. I have excellent command over the Adobe CC, Final Cut Pro and an understanding of Cinema 4D and Maya. I am positive that this, coupled with my wide knowledge of Mac operating systems, HTML, CSS and Javascript will be of great value to any employer.

EDUCATION

Nov-Dec 2014

Steer

Front End Web development course HTML, JavaScript and CSS

EXPERIENCE

October 2014 - Present

Freelance Graphic Designer // London

I have delivered promotional animations for clients such as Russell Brand and Penguin Random House. I have built websites and created branding for clients who wish to further promote their careers.

July-October 2014

Researcher / Designer // Metahaven, Amsterdam

I worked on a variety of projects, including a music video for Holly Herndon, digital design for The Lighthouse Gallery and print ready artwork for Tensta Konsthalle.

June 2012 - January 2013

Freelancer // Berlin

I directed, produced and edited music videos for the record label Traum.

March 2012 - June 2012

Internship // KEDD Animation Studios Budapest

I worked on various assignments, but mainly ID spots for promotional use.

2010-11

Archivist // Transmission Art Gallery // Glasgow

Organising a collection of books, videos and documents owned by the Transmission Gallery. Building and managing an online database for the public to easily access all resource room material.

EXPERIENCE

July 2010

Artist Liaison Assistant // Glasgow International Festival of Visual Art

Sharing my resources, contacts and practical abilities to
help manage artists and their work which was represented
at the GI 2010.

2004 - 2009

Graphic Designer // Depthcuts // West Yorkshire

Printed and web based promotional material for
commercial music events in my then local area. I also
edited the footage and put it on social media platforms to
help encourage event promotions.
