EXPERIENCE

October 2014 - Present

Freelance Graphic Designer, London

I am currently designing and producing unique motion graphics and typographic print for clients including The Unrecognised Nations and People's Organisation, Comedian Russell Brand, Penguin Publishers and artist Daniela Stanich.

July-October 2014

Motion Graphic Designer. Metahaven, Amsterdam

Here I worked in a three month placement on a variety of different projects . Duties included preparing graphics for printed collateral, working on publications, and helping to produce, record and edit music videos. Maintaining excellent relationships with international clients through clear and precise communication was essential in this role. I met all of my responsibilities with consistency whilst working to a tight deadlines.

Independent Graphics Studio

Here I directed and produced music videos for the record label Traum. This role included strategic thinking from concept design right through to execution of the high quality music videos again for international clients.

2007 -2014

English Governess

Before and during my studies I taught English as a foreign language to clients across Europe. From children of preschool age through right through to teaching adults written and spoken business English, they all enjoyed learning with me!
